

ECLIPSE

LIGHTING

BY SUUZ STUDIO FOR POMAX

Suuz Studio

Pomax is happy to announce a collaboration with Suzanne Wathelet, a Brussels-based journalist specializing in decoration, design and travel. Alongside her career in the press, she is now exploring the world of terracotta after falling in love with this ancestral art during her travels. Back in Belgium, she discovered the joy of creating original pieces with her own hands, using the modelling technique.

Eclipse is born from cosmic inspiration, the rare moment when the sun and moon align, casting the world into a dance of light and shadow. The design language, shaped by a cubic form, echoes the lines of a city, gently covered as the moon passes before the sun. Every piece holds a spark of the universe, showing that light endures, even in the shadows.
